Re: Regional Service Provider Certification  
Pursuant to Texas Water Code, §15.001(13) and Texas Tax Code, §151.355(5)

Dear Crystal Systems Texas, Inc.,

In accordance with TCEQ Docket No. 2002-0510-RES, dated May 13, 2002, the Executive Director has the authority to review, issue, approve, and act on written requests for regional service provider certification. On behalf of the Executive Director, we have determined Crystal Systems Texas, Inc. meets the requirements for certification as a regional water service provider for the purpose of tax exemption as provided by the citations referenced above. Our determination was based upon the assertions contained in Crystal Systems Texas, Inc. written request for certification received on April 16, 2012.

If you have questions concerning your certification as a regional provider, please contact Ms. Vera Poe, Utilities Technical Review Team Leader at (512) 239-6988. If you have any questions concerning the sales tax exemption, please contact the Texas State Comptroller's Office at 1-800-252-5555.

Sincerely,

  
Linda Brookins, Director  
Water Supply Division
